WHY CHOOSE US?

- Best After Sales Service**
18 months warranty, spare parts of the product can be free replaced during warranty period if any problems belong to us.
- 20 Years Experience**
20 years always specialized in design, production, sales and installation of automatic door systems.
- Strong Technical Team**
Adopting Up-to-date Techniques and Technology. Highly Trained Door Experts are the backbone of the company.
- High Delivery Speed**
3-5 working days shipping out for small order.
- Excellent Quality**
CE, ISO certification. Excellent DC brushless motor, high wear-resistant qualities wheels and reasonable structure design makes it more stable, quiet, longer life.
